Hello Yolanda,

Happy New Year to you as well.

It appears to me after reading the entire policy that technically there is no need in separating small and large diameter lines – it seems that for both size categories the duration, installation rules, etc. are the same. Am I missing something?

Regards,

Dave

Happy New Year to all!

Attached is the next version (one redlined and one not) of the policy as per our discussion on Dec. 12<sup>th</sup>. This document should be close to final unless there are any other concerns.

Please let me know if you have any comments as soon as possible. Thanks!

Regards,

Yo
